

### History

- Make a poster of a motte and bailey castle. Label the different parts and write about what they were used for.
- Go for a walk to the site of Kendal's motte and bailey castle at Castle Howe (behind the Brewery Arts Centre). Take photos and write about your trip. Try to storm the castle. Would it have been easy?
- Find out about the people that lived in a castle. What did they do? Was life fair for everyone?

### Computing

- Make a stop-motion animation to tell a traditional tale that includes a castle (e.g. Jack and the Beanstalk or Rapunzel). There are lots of free apps that you can use.

### English

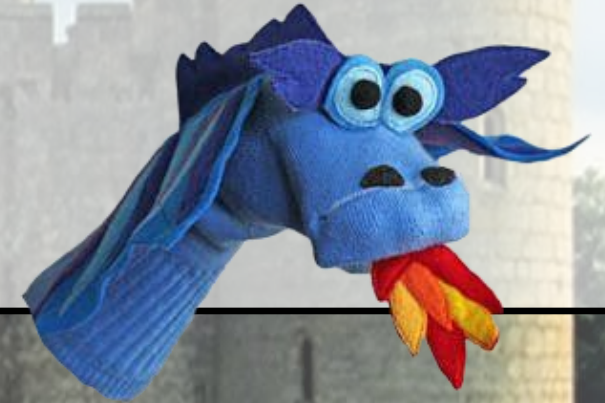

- Write a diary for a week to describe what you have been doing. Try to describe anything interesting or funny that has happened. Remember to use these in your writing:
  - Full stops and capital letters (and don't forget , ' ? ! too)
  - Adjectives and adverbs
  - Conjunctions (and, but, so, or, because, that, if, when)

## Year 2 Castles and Dragons

### Home Learning Project

### DT

- Design and make a sock puppet dragon. Sew on the dragon's features. Take a photo of your finished puppet. What do you like about it? If you made it again, what would you do differently?
