

### Home Learning Week commencing 13<sup>th</sup> April

Hello! We hope you've had a lovely couple of weeks and have been able to enjoy some of the sunshine.

We have created some things for you to do over the next week. There are topic based activities, English and letters and sounds games, and maths activities.

We also thought it would be great for you to plan some of the learning so each week we will have 2 class challenges set by 2 children in our class. These can be linked to our topic (How does your garden grow?) or something completely different but a task that you've really enjoyed doing at home. Remember to suggest things that are easy for your friends to do at home, without lots of expensive equipment. Mrs Waller does not have a trampoline so we can't have a trampoline challenge!

**This week's challenges are...**

#### **Challenge 1**

From Noah - can you do some leaf printing?

Paint the veins on the backs of leaves and rub the paper over the top to create a print. You can also use crayons!

Please keep posting what you've been up to on Tapestry, we love seeing all the photos!

Thank you

Mrs Waller and Mrs Flynn

#### **Challenge 2**

From Freddie - how far can you throw the toilet roll?

Hold the toilet roll in a chest pass and throw it forward. You can mark a toilet roll (1 number per piece of roll) to use as a measuring line. Can you throw it past the number 6?
