

Understanding the World

- ♦ Plant the bean that you received in the post. Try planting different ways (soil, cotton wool, in a zip lock bag).
- ♦ What does it need to grow? Track its progress, take photos or draw the progress.
- ♦ Can you order the bean life cycle pictures?

Scientist

- ♦ Our scientist is Maddie Moate—from Cbeebies, - Do you know?
- ♦ <https://www.youtube.com/watch?v=8dbjCLFTJc4>
- ♦ Let's Go live with Maddie and Greg garden week 4 planting tomatoes and potatoes—can you get any top tips for planting?
- ♦ Can you match the seed to the plant?

Expressive Arts and Design

- ♦ Can you complete the fruit and veg matching activity?
- ♦ Can you use vegetables to do some printing?
- ♦ Can you make a collage to show what plants need to grow? Or one to show the parts of a plant? You don't have to use paper and glue, what about leaves and twigs?

How does your
garden grow?

20th April 2020

Lego Challenge

Make a model of a plant and name each part - leaf, stem, root and petal. Can you make a label for each part?

RE—How can we use our hands?

- ♦ What can hands create? Create a finger painting of a flower or plant.
- ♦ What would it be like without our hands? Can you pick up a pencil without your hands? Can you open a door without your hands? Can you use your toes to hold a pencil, try drawing with it! Lets be thankful for our body.
