

Home Learning Week commencing 20th April

Hello! We hope you had a lovely Easter weekend.

Well done for all the work did you last week, we loved seeing your Lego plant pots, number formation and days of the week learning.

This week's challenges are...

Challenge 1

From Oscar - can you make a bird feeder?

Oscar used apple, nuts, raisins and other foods which they then stuck to a toilet roll using peanut butter. Have a look for some ideas and have a go! Then watch the birds enjoy eating it.

Please keep posting what you've
been up to on Tapestry, we love
seeing all the photos!

Thank you

Mrs Waller and Mrs Flynn

Challenge 2

From Austin - can you make a movie?

Austin and his mummy made a movie all about dinosaurs. Can you make a film? It can be about anything you like!

Have fun!
