

## Understanding the World

- ♦ Go on a minibeast search. What can you find?
- ♦ What are the names of the insects? Where did you find them?
- ♦ How many legs do they have? Do they have wings?
- ♦ Can you make a tally of how many different insects you found?

## Scientist

- ♦ Our scientist is Maddie Moate—from Cbeebies, - Do you know?
- ♦ Garden Week 3, Minibeast Photography Adventure

- ♦ Can you have a go at the minibeast photography task?

## Expressive Arts and Design

- ♦ Can you make an environment that you think insects would like?
- ♦ What does it need?
- ♦ Could you make a small bug hotel? Have a look at the picture opposite, can you use rolled newspaper and old plastic pots to make a bug hotel?
- ♦ Think carefully about where to put it.

How does your garden grow?

## Lego Challenge

Make Jack's beanstalk.  
What is at the top?  
Can you measure how tall it is?

## RE—How can we use our hands?

- ♦ Can hands talk?
- ♦ Can you have a conversation using only your hands, no voice?
- ♦ Can you show left, right, hello, goodbye, sit here, shake hands etc.
- ♦ Can you find out about sign language?
