This Week's Maths Tasks	WC 27 TH April 2020
Mental Maths <ul style="list-style-type: none"> Please practise your times tables knowledge. These are important to so many areas of Maths. Some ideas for practising these are: <ul style="list-style-type: none"> Times Tables Rockstars (I will keep an eye on how you are all progressing) Please feel free to challenge me too! Try to complete the Multiplication Square Jigsaw! It is an interactive challenge- please try several attempts before looking at the solution-it took me 5 goes! https://nrich.maths.org/5573/index Try the Mental Maths Quiz 2-see how many you can access independently. Mark after you have had a go-which ones did you find hard-practise some more of those style of question. 	
Activity 1 – To divide numbers up to four-digit by two-digit number using the short ('bus stop') method <ul style="list-style-type: none"> Complete the four division calculations-only look at the answers after you have solved them! 	
Activity 2-To multiply and divide fractions. <ul style="list-style-type: none"> Complete the sheets on multiplying and dividing fractions- remember to x just multiply the numerators and then the denominators- simply where possible. For the division remember to flip the second fraction and then multiply! The red are the easiest and then they get progressively more difficult. Challenge yourself! 	
Activity 3-To use negative numbers. <ul style="list-style-type: none"> https://www.bbc.co.uk/bitesize/articles/zjbk8xs- BBC Bitesize Maths-Watch the video clip, complete the online activity. Complete the Negative Numbers crossword-think carefully about why there might be 3 box answers! 	
Challenge Time- <ul style="list-style-type: none"> Complete the Negative Number Challenge-you can choose 4 to complete or do them all!
