Year 3

This Week's Maths Tasks	WC 4 th May 2020
Mental Maths: <ul style="list-style-type: none"> Remember to try and complete at least five minutes of Times Tables Rockstars a day (We will keep an eye on your progress). https://mathsframe.co.uk/en/resources/resource/289/KS2_Maths_Invaders Have a go at this game on subtraction and set it at Year 3 https://mathsframe.co.uk/en/resources/resource/306/Maths-Fishing-Multiplication Set the game to Year 3 and have a go at going fishing! 	
Activity 1 – 'Different Stories' <ul style="list-style-type: none"> Watch the iseemaths.com video of the problem 'Different Stories' http://www.iseemaths.com/lessons34/ As you work through the video have a go at the activities set Complete the activity from the sheet (http://www.iseemaths.com/wp-content/uploads/2020/03/27th-March-Y34-Different-Stories.pdf) and have a go at solving the different problems. Can you write a meaning for these words? Sum, difference, total 	
Activity 2 – Subtract 2 digits from 3 digits with an exchange <ul style="list-style-type: none"> Work through the Mint Maths activities from the sheet Remember there are help sheets on last week's work to help you with your method Remember when you complete your Mint Maths Sheet you need to show your methods and explain your thinking clearly. 	
Activity 3 – Subtract 3 digits from 3 digits with an exchange in more than one column <ul style="list-style-type: none"> Remember to use last week's column subtraction help sheet Work through the Mint Maths activities showing your methods and giving your explanations. Look carefully at the questions being asked and make sure you are subtracting the bottom number from the top one! 	
Activity 4 <ul style="list-style-type: none"> Have a go at the 'Reach 100' challenge Use the digit cards from your Maths pack to help you move the numbers around if you need help. If you do not have them then you could create your own number cards on squares of paper. How many ways can you find to solve the problem?
