| What George does | Order |
|--|-------|
| Then stir the mixture with a wooden spoon carefully. | |
| Turn off the heat and give the mixture time to cool. | |
| Allow the concoction to froth and foam. | |
| After that, put the stove on to a high heat. | |
| Finally, add brown paint to turn the medicine a lovely, rich brown colour. | |
| Place the large saucepan on the stove. | |

How to make an awesome antidote By Jolly George

Ingredients:

- A teaspoon of toothpaste
- A dollop of dark diesel
- A shovel of silky shampoo
- Eleven, enormous eggs
- Big blobs of brown paint
- A large saucepan
- One wooden spoon
- Access to a stove

Method:

- 1) First, collect the first four ingredients and add them to a large saucepan. Be careful not to spill any!
- 2) Then, place the saucepan onto the stove.
- 3) After that, turn the stove onto a high heat. (Don't burn your fingers!)
- 4) Carefully, stir the mixture with the wooden spoon.
- 5) Allow the concoction to bubble, foam and froth for ten minutes.
- 6) Turn off the heat and give the mixture time to cool.
- 7) Add generous blobs of brown paint until the liquid turns brown.
- 8) Finally, serve a teaspoon at a time to a Grumpy Grandma at 11 'o' clock precisely.

First **collect** the first four ingredients and **add** them to a large saucepan. Be careful not to spill any!

Then **place** the saucepan onto the stove.

After that, **turn** the stove onto a high heat.

Carefully, **stir** the mixture with the wooden spoon.

Allow the concoction to bubble, foam and froth for ten minutes.

Turn off the heat and **give** the mixture time to cool.

Add generous blobs of brown paint until the liquid turns brown.

Finally, **serve** to a Grumpy Grandma **quickly**.
