

Need help with plurals?

Look no further!

- ★ For most words, all you need to do is **add the letter s**

e.g. dog becomes dogs, cat becomes cats

- ★ For words ending in **s, sh or ch** you **add es** to make them plural

e.g. church becomes churches, stitch becomes stitches

- ★ To words ending in **f (or fe)** , remove the f (or fe) and add **ves**

e.g. leaf becomes leaves , half becomes halves

- ★ For words which end in a **consonant, followed by y** , **remove the y and add ies**

e.g. library becomes libraries, puppy becomes puppies

- ★ Finally, words ending with a **vowel then y** simply have an **s added**

e.g. key becomes keys, monkey becomes monkeys
