

Witness Statement

Date of Incident: 23/03/19

Name of Witness: George Kranky

Name of interviewing officer: Harwood Town Police HQ

Type of Incident: Public disturbance/ Damage to the roof of a building

On the morning of Saturday 23rd of March 2019 at 11:00, I was at home in the living room giving my grandmother her daily dose of medicine. As soon as she had one spoonful of it, she suddenly could not speak and began to float above her chair. Urgently, I asked her what was wrong and she replied with, "I'm on fire! Quick get the fire brigade!" Then I noticed smoke coming from her mouth and ears so quickly got her a drink of water from the kitchen. After drinking the water, my grandmother's stomach began to inexplicably swell, and her face turned purple and green. After this, she suddenly stood up (something I have never seen her do) and began to grow taller and taller. Within just a few minutes, her head reached the ceiling and broke through to my bedroom upstairs. Quickly, I rushed up the stairs. Grandma then demanded I give her a second dose of the medicine and within seconds she continued to grow into the attic and out through the roof. Bits of ceiling plaster, cement and roof tile nearly hit me on the head so I ran back downstairs and went outside to see the top half of Grandma's body sticking out of the roof. I was really scared I was going to get into trouble when I saw the police arrive.

I declare that the information I have provided is true and correct to my knowledge and understanding.
