

Understanding the World

- Take a big sniff outside and tell us what you can smell.
- In the story the rabbits collected flowers to make May Dew.
- On your walks try to gather some flowers.
- Do you like the smells?
- Could you make your own perfume?

Listening and Rhyming

- Listen and watch the YouTube video story of Grey Rabbit's May Day
- Can you hear the Rhyme "The First of May"?

Nursery Home Activities

W/C 4 may 2020

A Happy May Day

Counting 1, 2,3,4,5.

- It is the start of the month of May. What month number is it?
- Write the number 5 in as many different ways that you can.
- Try using sticks, grass and other objects.
- Complete the attached number 5 formation sheet.

Design and make a Maypole

- How could you make a May Pole? Could you use lots of loo rolls, Lego or twigs or create your own. We'd love to see photos of your creations.
- In the story they make garlands and crowns from flowers. Can you use natural materials to make one? Daisies and Dandelions do look nice together.
- What other Spring flowers can you see?

May Day Dance

- Dance around your Maypole- maybe your family could join in with you.
- Why not have a dance outside, (weather permitting). You could use a tree or shrub.
- Can you go in an anticlockwise direction too!
