This Week's Maths Tasks	WC 8 th June 2020
<p>Mental Maths</p> <ul style="list-style-type: none"> Please practise your times tables knowledge. These are important to so many areas of Maths. Some ideas for practising these are: <ul style="list-style-type: none"> Times Tables Rockstars (I will keep an eye on how you are all progressing) Please feel free to challenge me too! Complete the Mental Maths sheet 6:8. Remember to please have a go before you check the answers! https://www.topmarks.co.uk/maths-games/mental-maths-train Try this game to speed up your mental calculations using all four operations. <p>Activity 1 – To identify properties of 3D shapes.</p> <ul style="list-style-type: none"> Fill in the 3D shape table with the number of vertices, edges and faces each one has. https://mathsframe.co.uk/en/resources/resource/115/sorting_3d_shapes_on_a_venn_diagram# Play this sorting game to place the 3D shapes into the correct circle-depending on its properties. Complete the 3D shape net challenges. <p>Activity 2-To understand BODMAS/BIDMAS-Order of operations.</p> <ul style="list-style-type: none"> Watch the BODMAS/BIDMAS PowerPoint to remind you of how to complete 'Order of Operation' type calculations. Complete the 'Propeller' 9 question sheet-this is a practice activity. Attached is a full booklet linked to BODMAS-work through it and complete as much as you can. Please ask any questions you have on Seesaw. Try the Testbase style questions on BODMAS-again just complete the ones you can! <p><u>Investigation Time!</u></p> <ul style="list-style-type: none"> Complete the investigation-The Theatre Problem-Read each section carefully and think about the information you are given-it will build up a picture to help you solve the mystery. <p>Useful Links and Videos</p> <ul style="list-style-type: none"> https://www.topmarks.co.uk/maths-games/7-11-years/mental-maths https://mathsframe.co.uk/en/resources/category/22/most-popular
