

Present to Past Game!

All the verbs on the board have been written in the present tense.
Can you travel through time and change them to the past tense?

Instructions

Equipment needed:

- Game board
- Dice
- Something to use as counters (for each player)

How to play:

1. Take turns to roll the dice and move around the board.
2. Read out the word you land on and then say the word in the past tense.
3. If you give the correct answer you can stay on that square.
4. If you give an incorrect answer you must go back to the previous square you came from.
5. First player to the finish is the winner!

Play onscreen / without printing out

- Follow the same rules as above, but instead of using counters, each player must keep track of what number square they are on.
