Once you have been through each stage, have a go at drawing some in your book. Remember: Use a sharp pencil.

**Activity 2** - Have a look at the fact sheet showing **4 types of triangle**.

Describe each one, what are the main features of each one.

Can you find any of these shapes around your house? Where are they?

**Activity 3** - Have a look at **SKETCH ME**. Have a go at the task.

**Activity 4** - Tackle this: **The Great Triangle Challenge! Have Fun!**
