

Geography

- **What is it like living in Cumbria?**

Your challenge this week is to research and present information about the area that we live in.

You could find out some interesting facts to share, such as:

- Where is it? You could include maps to help explain this. You could go on a virtual field trip around Cumbria by using Google street view.
- What is the landscape like around Cumbria? Describe the place. You could find photos to show what it is like.
- What is the weather like here (in winter and summer).
- What are the people's everyday lives like in Cumbria? You could find out about homes, hobbies, jobs etc.

Science

- **What habitats could you find in Cumbria?**
- Look at the BBC Bitesize information on different habitats [here](#).
- Which of these habitats would you find in Cumbria?
- Choose a Cumbrian habitat. Name and describe your chosen habitat. Draw the habitat.
- Draw a food chain for your chosen Cumbrian habitat.

Computing

- **Why is email useful?**
- Your challenge this week is to write an email message to a friend or someone in your family. You could write to tell them what you have been doing at home recently. Can you find out what they have been doing?
- Carefully type in their email address. Ask your parents to check your message before you send it.
- Challenge: can you include a picture in your email. E.g. this could be a photo of some of your artwork or a photo of something that you have done.

Year 2 From Pole to Pole Home Learning Project

Useful websites

- Cumbria Wildlife Trust Habitats information ([here](#)).
- Cumbria Wildlife Trust Web Cams ([here](#)). Can you spot a badger?

RE

- **Why do Christians light candles at Advent?**
- What do you know about Advent already?
- At Advent, Christians light candles on a special Advent Wreath. Look at the Advent wreath information.
- Create a model or draw a picture of an advent wreath. Explain what the different candles symbolise to Christians. You could write or video this.
