

Science

This week we are going to consider what animals and plants you can expect to find on our own **escarpment** (look it up!), Scout Scar. Use local knowledge, guides and internet sites. Create your own local Scout Scar Guide. This could be a Leaflet a poster, a powerpoint or an information sheet.

RE

Courage and Resilience—A Bible Story

Sometimes we need to show resilience when persuading people to try something new, as this Bible story shows.

Read the story of Ephesus on the sheet. Record your thoughts, describe how you may need to show resilience this week and then write a prayer on resilience and courage.

Art - Albert Bierstadt

Who is Albert Bierstadt? I want you create 10 questions that you would ask this person if you were interviewing him. I then want you to research his life and work and answer your own questions. Create a page in your journal and record your findings creatively.

Mountains 15th June 2020

Computing - Keeping going with coding!

Please log into:

https://studio.code.org/s/express-2019?section_id=2793409

Complete 'Variables' section.

PSHE

Courage. Draw a portrait of Hillary and Norgay in your journals. Find examples of how and when they showed 'courage'. Create a display of their courageous acts around their portrait.

Music Log into YUMU and look at the Big Sing Resources. Mrs Barkway has tasked if we can sign up for this and she has told me there are some 'BIG' names signed up for this event. Check the site as there are some challenges, one is to learn to sign 'Somewhere Over The Rainbow'. What a fantastic challenge!

Geography

How are mountains formed? In English last week I asked you to write a non-chronological report on how Mountains are formed. This week I would like you to read the information I have provided and work through the tasks on the 'How Mountains Are Formed' Sheet.
