

Understanding the World

- *Materials investigation. What is the best material to make a boat from? Paper, card, play dough, tin foil, wood? Why not make lots of different boats and then test them in some water?*
- *Floating and sinking investigation . Find some toys—do you think they will float or sink? Now test them! What happens? Why do some float and some sink?*

Technology

- *Watch the clip about Barnaby Bear inside a ferry. What is a ferry like?*
- <https://www.bbc.co.uk/bitesize/clips/zw6yr82>
- *Can you play the pirate bunny adventure game?*
- <https://www.bbc.co.uk/bitesize/topics/zvsd8xs/articles/z6vyf4j>

Expressive Arts and Design

- *Design and make a boat, make sure it can float!*
- *It is Fathers Day on Sunday, can you make your dad, Grandad or uncle a special card?*

*Ahoy There
Me Hearties!*

15th June 2020

Lego Challenge

- *Make a Lego boat, will it float? Can it hold passengers?*

RE—Why do we go on a journey?

- *Can you think of a time when you have been on a journey to a place of worship.*
- *Do you remember when we all went to the Parish Church for our Christmas carol service?*
- *Who did we meet at the church? What did we see there? How did the carol service make you feel?*
