

Understanding the World

- *What happens to sand when we add water?*
- *Look at dry sand and note down what you see and feel.*
- *Predict what will happen when it's wet. Add water and record the changes.*
- *Can we build with it when it is wet or dry?*

Geography

- *What does a beach look like on a map?*
- *What is a desert? Where are they in the world?*
- *What creatures live in a desert?*
- *Imagine you an extreme explorer and go with Maddie Moate on an adventure <https://www.youtube.com/watch?v=YHeNErxqiH0>*

Expressive Arts and Design

- *Do a seaside painting using paint and sand mixture.*
- *Can you make an ice cream collage?*
- *Can you make a colourful jelly fish?*

*Ahoy There
Me Hearties!
29th June 2020*

Construction Challenge

*Design and build a sandcastle or mud castle.
Send us a photo of it.*

RE—Why do we go on journeys?

- *Mary and Joseph took Jesus as a child on a journey to a Temple in Jerusalem. How do you think they got there?*
- *How do you think they would feel travelling with a small baby?*
- *Talk to your parents, did you travel anywhere as a small baby?*
