

## Understanding the World

- Use information books and video clips to find out what lives in the sea.
- Can you write a list of things in the sea?
- What is the smallest creature you can find in the sea?
- What is the longest creature you can find in the sea?

## Geography

- What lives in the sea?
- Watch Barnaby Bear at the Aquarium.
- <https://www.bbc.co.uk/bitesize/clips/z7q6sbk>
- Which is your favourite sea creature and why?
- Can you find out what they eat?

## Expressive Arts and Design

- Can you make a Rainbow fish with sparkly scales?
- Draw a picture of your favourite sea creature.
- Record yourself moving like a sea creature or sea bird.
- Can you make up a seaside song?

Ahoy There!  
Me Hearties  
6th July 2020

## Construction Challenge

Make a sea creature.  
Does it have a tail or legs?

## RE – Why do we go on journeys?

- Imagine you want to go on a journey to somewhere peaceful and calm, where would you go to? Why do people visit quiet places?
- Then you want to go somewhere noisy and busy, where would you go? How would you feel there?
