

| Year 4 - This Week's Maths Tasks | WC 6 th July 2020 |
|--|------------------------------|
| Mental Maths <ul style="list-style-type: none"> • Complete the task MENTAL MATHS. • Practise your times tables knowledge. Log on to Times Table Rock Stars. | |
| Activity 1 - Learning outcome: Describe movements between positions of a shape to the left/right and up/down. Sketch the grids into your workbook, no need to print. Have a look at the instructions / guide Translation of a shape on a grid . | |
| Activity 2 - Now have a go at sketching your own grid split into 4 sections as <u>THE GRID</u> . Sketch on a rectangle shape onto the grid, write down its coordinates then move it into a new position, note its new coordinates. | |
| Activity 3 - Have a look at https://www.bbc.co.uk/bitesize/topics/zgthvcw/articles/z96k9qt to explore coordinates. Here's a different one to try. https://www.bbc.co.uk/bitesize/clips/z7qmpv4 | |
| Other Useful Links and Videos - TT Rockstars, BBC https://www.bbc.co.uk/bitesize/topics/zy2mn39 <u>Any BBC Bitesize sites are good to refresh your knowledge</u> | |
