

## Plants

Watch this video to find out more about plant life cycles:

<https://www.bbc.co.uk/bitesize/clips/zgqyrdm>

Plant Life Cycles (Lesson Guidance) — With an adult, read through the information to remind yourself of the life cycle of a plant. (You do not need to print out this resource just discuss it and use it as a guide).

The Life Cycle of Flowering Plants (Mini Project) — Design and create a way to represent the stages of the life cycle of a flowering plant. Use the resource for inspiration or come up with your own ideas!

## Ourselfs

Use random objects from around your house to make a 3D model or a portrait of yourself.

## Summer Final Week

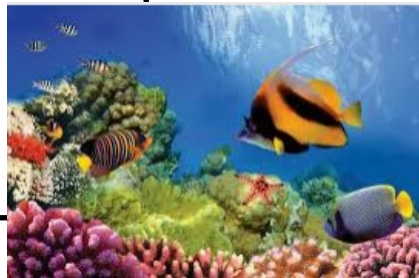

WC: 13th July  
2020

## The Great Barrier Reef

Go on an exploration of the Great Barrier Reef.

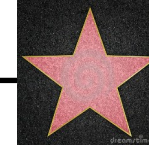

<https://attenboroughsreef.com/>

Create a picture or poster about what you find

## Celebrities

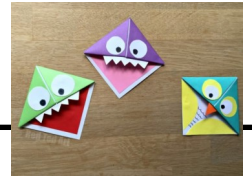

Discuss which celebrity you would like to be your teacher and why. Draw a picture to show what a lesson with them might look like.

## Monster Bookmarks

Have a go at making your own monster bookmark using the video below:

<https://www.youtube.com/watch?>

## P.E.

Design a workout for Mrs Evans and put it on Seesaw for me to have a go at over the summer. Think carefully about the activities you give me and be clear about the repetitions.

Try it out yourself and send me a video on Seesaw so I know what I need to do!
