

**Geography** - Learning Outcome: What evidence is there on earth today of volcanoes and earthquakes?

**Task:** Create a poster which lists the main volcanoes and earthquake sites on earth. Your poster should include pictures, facts, locations, their impact on the landscape and humans.

### PSHE — Friendship

LO: Understand why it is important to be positive in relationships with others.

**Task 1:** Read **IMPORTANT RELATIONS**, then complete the task at the bottom.

**Task 2:** Think about our school values have you remembered them? Have you experienced or shown any of these values during lockdown?

### Science—Classification including mammals?

**Task 1:** Have a look at <https://www.bbc.co.uk/bitesize/clips/ztbw2p3> living things..

**Task 2:** In your workbook define / give a written explanation of what makes a living thing? List two different living things, one plant and one animal and explain how they are different and how they are the same?

**Task 3:** List what journey each of your living things will travel on from beginning to end.

Image: World's oldest living thing.

Year 4  
Journeys

WC: 13/7/20

### Computing — Media

**Task:** Write up onto Seesaw your experience of Year 4 Lockdown — Home Learning, think about the best bits, the worst bits what was fun, what was easiest or the hardest. Write in the style of a media reporter that is looking to make improvements to the process, so you can be critical!

**Remember** to be constructive in your criticisms as your readers may benefit from, or use your feedback in the future.

Please **DON'T** share your work on the Blog.

**Think about** how you changed or adapted the learning tasks to suit you and how you could access them, i.e. online or by printing off.

**R.E.**— What do places of worship teach us about religion?

**Task:** Give a summary statement for each of the following questions:

- Why are places of worship important?
- What can we learn from a place of worship?
- What is the purpose of a religious pilgrimage?
- Do you think Covid19 will change the way believers worship in the future?
