

## English

You are going to invent a new fairground ride- research what rides are out there at the moment and think even bigger and better, faster and scarier!

Design an advert for your fairground ride making sure you use persuasive language to encourage people to want to try your ride!

## Maths

<https://whiterosemaths.com/homelearning/year-6/week-10Fractions>

Work through the videos and tasks for Week 10 based on adding and subtracting fractions.

## Art

Collect some leaves and create a symmetrical pattern using them. Copy that pattern a number of times using any medium you wish, think of it as a wallpaper pattern.

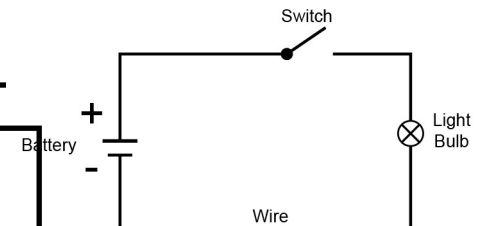

WHY TIME  
'Fun at the Fair'  
16.11.2020

## Science

### Will it work?

See the attached worksheet- think about the electrical components given in each example and think about whether the circuit would work or not and why? Can you draw the circuit diagrams for them all?

## R.E.

Research and watch video clips of the creation stories from our three main religions studied, Christianity, Islam and Hinduism. What is the same about them and what is different?

## PSHE

### Money Management

Think about how many different ways there are to pay for goods, can you write one advantage and one disadvantage of each payment method?
