

## English

### **Traction Man**

- Read or watch the story of Traction Man ([here](#)).
- Find examples of shape poems on the internet or in a poetry book.
- Can you create your own shape poem for Traction Man? Start your poem with 'Traction Man is...' then use -ing words to start each line e.g.  
Traction Man is...  
Crawling through the grass,  
Jumping in the bath,  
Guarding the toast

## Phonics

- Watch the videos. What words have you heard in the videos? Write them down.
- **Phase 2 and 3** sound speed check—click [here](#) and [here](#).
- **Phase 4** tricky words song—click [here](#)

## Science

- What are your 5 senses? Find out by looking at the information on BBC Bitesize ([here](#))
- Draw or print a picture of a person. Label the parts of the body used to sense things. Write what they are used to sense.

## Art

- Look at some abstract portraits by Picasso ([here](#), [here](#) and [here](#)).
- What do you think of these paintings? Why?
- Make your own abstract portrait by cutting and sticking parts of faces from magazines.

## **Year 1 We're All Superheroes Home Learning Project**

## Maths

### **Place Value**

- Watch the video lessons on **Place Value** [here](#)
- Work through the tasks in the video lesson.

### Extra practise

- Visit the Topmarks website to play Place Value Basketball—<https://www.topmarks.co.uk/learning-to-count/place-value-basketball>  
Choose 'Numbers up to 19'
- Don't forget to use objects or pictures to help you to work out the answers when playing the games.
- Can you make up a card game where you need to compare two numbers? E.g. A game like snap where the greatest number wins.
