## Science (Friday)

This week we are testing magnet strength. You can test the strength of a magnet by seeing how many paperclips you can hang from a magnet.

Can you find any magnets in your house to test their strength?

Which do you think will be the strongest? Why?

## R.E. (Tuesday)

Research the Christian creation story.

Have a go at drawing pictures from the story and write sentences to go with them to explain why the things God created were so important.

## Design Technology (Thursday)

Research online the different stitches that people can do—running stitch, back stitch and whip stitch.

Do you have a needle and thread at home that you can have a go with. Remember to try and work with an adult!
