

English

My own Superhero adventure

- Design your own super hero ([here](#)). What superpowers would you have? What would your costume be like? Who would you help? Write 5 sentences to describe your superhero.
- Draw a picture of your secret hideout. What can you see in your hideout? Make a list. What words can you use to describe these things in your list? What sounds can you hear? What does it feel like in there? Write 5 sentences to describe your superhero hideout.
- What problem does your superhero have to sort out? Is there an evil villain? How does your superhero save the day? Write 5 sentences about this.

Phonics

- Phase 4 segmenting and blending CVCC words—click [here](#) and play Buried Treasure [here](#). Click on Phase 4—CVCC—Sets 1-7.

Year 1 We're All Superheroes Home Learning Project

Maths

- Look at the Christmas maths activities from White Rose Maths ([here](#)) which use the ideas we have learned about this term. Watch the videos and complete the activities.

Extra practise

- Visit the Topmarks website to play Shark Numbers—[here](#)
Choose 'Numbers up to 29'
- Play Fruit Splat [here](#). Choose 'Up to 20'.
- Play Snowman Sums ([here](#)). What type of maths model do the snowmen remind you of?

RE

- Think about all the things we have learned about this half term to do with Islam. What can you remember (Hint: How many names does Allah have? Can you name any of them? What symbols are linked to Islam? What symbols of peace can you think of? How does Mohammed inspire Muslims? How did Mohammed demonstrate our school values in the things he did?

Computing

- Download Scratch Jr onto a smartphone or tablet.
- Design your own superhero mini-program.
 - Use the start and stop blocks.
 - Use the Movement blocks
 - Use the repeat blockChallenge:
 - Can you write a second algorithm to make your superhero play a sound if you touch it?
