

## Maths Remote Education

### This Week's Maths Lessons

WC: 11/01/21

### Mental Maths:

- Complete the daily **Flashback 4 challenge** activity in Seesaw, to see how much you can remember from our learning last term.
- Play the Alien Addition (set to slow to begin with) <https://www.arcademics.com/games/alien>

Day:	Learning Objective:	Lesson:
Monday	To be able to add (within 20) by counting on.	<p>Watch the online lesson from White Rose Maths – Add by counting on activity  <a href="https://whiterosemaths.com/homelearning/year-1/week-2-number-addition-and-subtraction-within-20/">https://whiterosemaths.com/homelearning/year-1/week-2-number-addition-and-subtraction-within-20/</a></p> <p>To complete this activity you will need a 1-6 die and the number cards that you made last week.</p>
Tuesday	To be able to add (within 20) by counting on.	<p>Watch the online lesson from White Rose Maths – Add by counting on  <a href="https://whiterosemaths.com/homelearning/year-1/week-2-number-addition-and-subtraction-within-20/">https://whiterosemaths.com/homelearning/year-1/week-2-number-addition-and-subtraction-within-20/</a></p> <p>Complete the questions from the worksheet (posted as a Seesaw activity) and post a picture of your answers on Seesaw.</p>
Wednesday	To be able to add ones using number bonds.	<p>Watch the online lesson from White Rose Maths – Add ones using number bonds (1)  <a href="https://whiterosemaths.com/homelearning/year-1/week-2-number-addition-and-subtraction-within-20/">https://whiterosemaths.com/homelearning/year-1/week-2-number-addition-and-subtraction-within-20/</a></p>

		Complete the questions from the worksheet (posted as a Seesaw activity) and post a picture of your answers on Seesaw.
Thursday	To be able to add ones using number bonds.	<p>Watch the online lesson from White Rose Maths – Add ones using number bonds (2)  <a href="https://whiterosemaths.com/homelearning/year-1/week-2-number-addition-and-subtraction-within-20/">https://whiterosemaths.com/homelearning/year-1/week-2-number-addition-and-subtraction-within-20/</a></p> <p>Complete the questions from the worksheet (posted as a Seesaw activity) and post a picture of your answers on Seesaw.</p>
Friday	To be able to find and make number bonds to 20	<p>Watch the online lesson from White Rose Maths – Find and make number bonds  <a href="https://whiterosemaths.com/homelearning/year-1/week-2-number-addition-and-subtraction-within-20/">https://whiterosemaths.com/homelearning/year-1/week-2-number-addition-and-subtraction-within-20/</a></p> <p>Complete the questions from the worksheet (posted as a Seesaw activity) and post a picture of your answers on Seesaw.</p>

- 1) Work out  $4 + 3$

- 2) What is  $7 + 3$ ?

- 3) What is one more than 12?

- 4) Name the shape.

- 1) Work out  $7 + 4$

- 2) What is  $6 + 4$ ?
- 3) Write the number **seventeen** in numerals.
- 4) Name the shape.

Tuesday 12th January 2021

LO: To be able to add (within 20)  
by counting on.

I can:

- count up to 20 from any starting point.
- identify numbers represented in different ways.

There are 9 children on the bus.

5 more children get on the bus.

How many children are on the bus now?

Aston has 4 coins. Beck gives him 7 more coins.

How many coins does Aston have now?

Mo and Jack are working out  $11 + 7$ .

Mo says,

11, 12, 13, 14, 15, 16, 17

Jack says,

12, 13, 14, 15, 16, 17, 18

Use a number line to show who is correct.

# Sudoku

2		4	3
3	4		2

- 1) Add 5 and 8 together.

- 2) What is  $5 + 5$ ?
- 3) Write the number **eleven** in numerals.
- 4) Name the shape.

Wednesday 13th January 2021

LO: To be able to add ones using number bonds.

I can:

- partition a number into tens and ones.
- I can add ones using number bonds.

Complete the additions.

a)

$$3 + 5 = \square$$

b)

$$13 + 5 = \square$$

Complete the part-whole model

Now complete these additions:

$$12 + 7 = \square$$

$$17 + 2 = \square$$

Which is the odd one out? Why?

$$14 + 2$$

$$15 + 2$$

$$10 + 6$$

$$1 + 16$$

$$3 + 13$$

$$12 + 5$$

$$11 + 5$$

$$1 + 15$$

- 1) Calculate  $9 + 4$

- 2) What is one more than 7?
- 3) Complete the sentence using **less** or **more**.

7 is \_\_\_\_\_ than 15

- 4) Name the shape.

Thursday 14th January 2021

LO: To be able to add ones using number bonds.

I can:

- partition a number into tens and ones.
- I can add ones using number bonds.

Complete the additions.

$$\square + 5 = 9$$

$$\square + 2 = 9$$

$$8 + \square = 9$$

$$6 + \square = 9$$

Complete the additions.

$$\square + 5 = 19$$

$$\square + 2 = 19$$

$$18 + \square = 19$$

$$16 + \square = 19$$

Explain how you worked out the answers.

Can you spot the mistake? What is it? How can you make it better?

1) Calculate  $8 + 6$

2) What is one more than 15?

3) Complete the sentence using **less** or **more**.

12 is \_\_\_\_\_ than 3

4) Name the shape.

Friday 15th January 2021

LO: To be able to find and make  
number bonds to 20

I can:

- partition a number into tens and ones.
- I can add ones using number bonds.

Write additions to match the tens frames.

$$\square + \square = \square$$

$$\square + \square = \square$$

Colour the number bonds to 20.

14 + 3	17 + 3	2 + 18	0 + 20	3 + 16	9 + 11	17 + 3	18 + 2	2 + 0
18 + 1	3 + 7	12 + 7	5 + 15	4 + 8	1 + 19	13 + 5	20 + 0	1 + 15
11 + 8	11 + 9	19 + 1	3 + 17	10 + 0	13 + 7	16 + 2	8 + 12	5 + 5
5 + 6	4 + 16	19 + 0	10 + 1	2 + 0	14 + 6	17 + 1	11 + 9	11 + 8
12 + 5	12 + 8	18 + 2	15 + 5	4 + 15	16 + 4	10 + 10	15 + 5	13 + 3

Can you make up your own puzzle like this one?

## True or false?

There are double the amount of number bonds to 20 as there are number bonds to 10.

Prove it! Use a systematic approach.
