Homophones

To practice your spellings, you can use any of the 'No Nonsense Spelling' strategies you enjoy using in class. Use the Look, Cover, Write Check strategy if it is useful.

On Friday I will give you a quick spelling test of the 6 words to see how you are getting on.

Also play the game-link below to practice spelling other homophones-these might come up in the next few weeks. It is also important to know the meaning of the homophones. Write the words within sentences so you understand the context.
