Maths Remote Education

This Week's Maths Lessons	WC: 18th January 2021

Mental Maths:

Try to do your 25 minutes of garage a week on TT Rockstars; that is 5 minutes a day from Monday to Friday!

I will be looking for my 'Rockers of the Week' regularly.

There are also some good games on here for practising your times tables knowledge, just choose the table you need to practise and off you go:
https://www.topmarks.co.uk/maths-games/7-11-years/times-tables

Day:	Learning Objective:	Lesson:

Monday	To multiply 2-digit numbers by 1-digit numbers with an exchange.	• In the 10:40am Zoom today I will introduce multiplying a 2 digit numbers by 1 digit with an exchange. Please have a pencil and paper handy in case you need them.
		• There will be a 'Mrs Evans help video' on Seesaw to help you with the strategy.
		• Use today's strategy to solve the following calculations:
		   o 24 x 4 22 x 5 18 x 5
		   o 12 x 5 48 x 2 32 x 7

Tuesday	To multiply 2-digit numbers by 1-digit numbers with an exchange.	• Please watch the video here called Multiply 2-digits by 1-digit - exchange https://whiterosemaths.com/homelearning/year-3/spring-week-2-number-multiplication-division/ • Then have a go at the 'Tuesday Mint Maths' questions that I have set you. Remember when you use the written method to line your columns up. The video will still be on Seesaw if you need any reminders. • There is a 'Greater Depth' activity if you want an extra challenge! • We will go over this in our Zoom today at 1:20pm and practise the method again.

Wednesday	To multiply 2-digits by 1-digit.	• Here is today's video link https://whiterosemaths.com/homelearning/year-3/spring-week-2-number-multiplication-division/ and you need to watch Multiply 2-digits by 1-digit (2). • There is then a Mint Maths questions to work your way through called Wednesday Mint Maths. Remember I want to see how you have worked the answers to the questions out. • We will go over this in our ==Zoom today at 1:20pm== and practise the method again.
Thursday	To divide 2-digits by 1 digit.	• Meet me on the ==10:40am Zoom== today for a recap about division. We will recap what we have already learnt and we will begin to explore how to divide a 2-digit number by a 1-digit. • Next watch the Divide 2-digits by 1 digit (1) video here https://whiterosemaths.com/homelearning/year-3/spring-week-2-number-multiplication-division/ • Then work through the Thursday Mint Maths questions.
Friday	To divide 2-digits by 1 digit.	• Watch today's video 'Divide 2-digits by 1 digit (2)' at https://whiterosemaths.com/homelearning/year-3/spring-week-2-number-multiplication-division/ • Then there is a Friday Mint Maths set of questions to work through. I have created a help video on Seesaw to look at the method. • I will put a video on Seesaw to help you if you need it.
