

Maths Remote Education

This Week's Maths Lessons

WC: 25th January 2021

Mental Maths:
 Try to do your 25 minutes of garage a week on TT Rockstars; that is 5 minutes a day from Monday to Friday!
 I will be looking for my 'Rockers of the Week' regularly.
 There are also some good games on here for practising your times tables knowledge, just choose the table you need to practise and off you go: <https://www.topmarks.co.uk/maths-games/7-11-years/times-tables>

Day:	Learning Objective:	Lesson:
Monday	To divide with remainders.	<ul style="list-style-type: none"> • Watch the video 'Divide with Remainders' https://whiterosemaths.com/homelearning/year-3/spring-week-3-number-multiplication-division/ • Then have a go at the Monday Mint Maths questions. • There is a Greater Depth task if you want an extra challenge. • In the session at 1:20pm on Zoom we will work through the questions together for you to check your work.
Tuesday	To divide 2 digit by 1-digit.	<ul style="list-style-type: none"> • Watch the video 'Divide 2-digit by 1-digit (3)' https://whiterosemaths.com/homelearning/year-3/spring-week-3-number-multiplication-division/ • Then have a go at the Tuesday Mint Maths questions using the strategies you have seen. • In the session at 1:20pm on Zoom we will work through the questions together for you to check your work.

<p>Wednesday</p>	<p>To use scaling.</p>	<ul style="list-style-type: none"> • In the Zoom at 10:40am you will be introduced to scaling. Bring a pencil and paper to the session. • Watch the video 'Scaling' https://whiterosemaths.com/homelearning/year-3/spring-week-3-number-multiplication-division/ • Then work through today's questions on Wednesday Mint Maths.
<p>Thursday</p>	<p>To find how many ways.</p>	<ul style="list-style-type: none"> • Watch the video 'How Many Ways' https://whiterosemaths.com/homelearning/year-3/spring-week-3-number-multiplication-division/ • Then work through the questions on the Thursday Mint Maths work. • Remember to upload your work to Seesaw for me to see how well you have done.
<p>Friday</p>	<p>To complete maths challenges linked to multiplication and division.</p>	<ul style="list-style-type: none"> • Today I have uploaded two maths challenges for you to try. • You can either choose one of the challenges or have a go at both; the choice is yours. • I look forward to seeing your solutions and working out on Seesaw.
