

Indian Cities Task

Look closely at the cities below. Zoom in to see the details. Write about the physical and human features you can see. Record your work creatively. I have included an example of how to lay out your task but you don't have to print it out. You could create your own sheet.

Investigating India New Delhi Aerial Photo Sheet

New Delhi

Look at these aerial photos of New Delhi.

What **human** features can you see?
What **physical** features can you see?
Do you remember any features from the slides?

Investigating India Mumbai Aerial Photo Sheet

Mumbai

Look at these aerial photos of Mumbai.

What **human** features can you see?
What **physical** features can you see?
Do you remember any features from the slides?

Kolkata

Look at these aerial photos of Kolkata.

What **human** features can you see?
What **physical** features can you see?
Do you remember any features from the slides?

Look closely at the aerial maps of New Delhi, Mumbai and Kolkata. Can you make a list of the physical and human features you can see in each city?

<u>New Delhi</u>	<u>Mumbai</u>
<u>Kolkata</u>
