

Guided Reading Task –

Genre

Libraries and bookshops often group books with similar stories and ideas together. This helps people find the type of book they want faster. These groups are called genres.

This poster shows six genres. However, Pierre has mixed up the different parts by mistake. Can you help him sort them out before his boss comes back?

Front Cover	Character	Setting	Quote	Genre
			"Computer, how long have we got?" Three minutes, twenty four seconds and counting. There was nothing he could do. Captain Teller began to run to his escape pod."	SCI-FI
			"...and as she gazed into his blue eyes, her heart started to race. Could they really fall for a computer geek like her?"	WESTERN
			"Not knowing that he had tucked his shirt into his underpants, James set off to school. For James, this was going to be a very bad day."	Mystery
			"Sheriff, come quick! Quick Draw McGraw has just ridden into town and people are scared. Without a word, he picked up his gun and left..."	Romance
			"A scream shot through the air. Then nothing! Not long after, a bat flew out of the castle window and into the dead of night."	COMEDY
			"Inspector Doyle took off his gloves and walked into the study. There, slumped over his desk, was the dead body of Charles Toffsbury."	HORROR
