

Topic Remote Education		
This Week's Topic Lessons		WC: 08/02/21
Day:	Subject:	Lesson:
Monday	Geography – to be able to	<ul style="list-style-type: none"> Answering the end of topic question: How can we help to improve homes where we live? Last week you thought of things that could be done to improve where we live or where animals live. This week your challenge is to do something that does help something's home. Maybe you could make a bug hotel, make a bird feeder or plant some wildflower seeds. Maybe you could do something to help others around your home or local area. Take a picture and write a sentence to show what you have done to help, where it is and how it has helped. If time allows, please finish off any incomplete Geography tasks from this half term and post to Seesaw with the subject and week number in the comment box. <p>Here is a summary of what we did each week for Geography:</p> <p>Week 1 – Identifying locations on an aerial photo of the area Week 2 – Local walk looking for different types of homes Week 3 – Identifying the rooms in a house and drawing a floorplan Week 4 – Drawing a map of the local area and identifying areas that are liked and those that could be improved</p>

Tuesday	Topic work	<ul style="list-style-type: none"> Please use this time to finish any incomplete topic tasks from this half term and post to Seesaw with the subject and week number in the comment box. <p>Here is a summary of what we did each week for Computing:</p> <p>Week 1 – Using directional language (offline) Week 2 – Using directional language to program a physical robot or onscreen object Week 3 – Debugging – finding and fixing problems with algorithms Week 4 – Lego programming</p> <ul style="list-style-type: none"> Complete Mr Harris's PE challenge.
	PE	
Wednesday	Topic	<ul style="list-style-type: none"> Please use this time to finish any incomplete topic tasks from this half term and post to Seesaw with the subject and week number in the comment box. <p>Here is a summary of what we did each week for Science:</p> <p>Week 1 – What do you know about materials. Material treasure hunt. Week 2 – Properties of materials Week 3 – Sorting materials by their properties Week 4 – Investigating the best material for a roof</p> <ul style="list-style-type: none"> Complete your response to our RE reflection on what we have learned about the meaning of 'Belonging' and the big question 'What does it mean to belong in Christianity?'
	RE – to be able to reflect on what we have learned about belonging in Christianity	

[illegible]

		<p>Here's an example: In DT we learnt about making a strong structure. This links to the story of the 3 Little Pigs because the brick house was strong but the others were not.</p> <ul style="list-style-type: none">• Mental Health Awareness tasks. It is important to be aware of how you are feeling, especially at a time like this. Choose one of the tasks on the Mental Health Awareness sheet to complete.

Making Links in Our Learning

What links our learning in one subject to the learning we have done in another subject? Maybe it is something that we have looked at before in Year 1 in another topic. Maybe it is something you learnt when you were in Reception.

Write your links on the tags below.

Mental Health Awareness Tasks

What's the best thing you've seen today? Draw it!

Give yourself a compliment.

Choose one kind thing to do for yourself today. What's it going to be?

Design a pair of shoes that represent you. Trainers? Sparkly cowboy boots?

Up to you!

Imagine you have a golden ticket to your perfect day. What would you do? Draw a comic strip to show us!
