

Maths Remote Education - Reception

This Week's Maths Lessons

WC: 8th February 2021

Day:	Learning Objective:	Lesson:
Monday	To begin to use language and the correct vocabulary to describe height.	<p>Maths Task: watch the White Rose Session 1 video (Comparing Height) – https://whiterosemaths.com/homelearning/early-years/growing-6-7-8-week-3/</p> <p>Task: Roll the dice. Collect the corresponding number of cubes and build a tower. Now build a tower that is taller and a tower that is shorter. Roll the dice and have another go. What do you notice? Can you arrange your towers in order from shortest to tallest</p> <p>Challenge: How many cubes taller is your tallest tower compared to your shortest tower? How many more cubes would you need to make the towers the same height?</p>
Tuesday	To begin to use language and the correct vocabulary to describe length.	<p>11.20am Maths Live on Zoom – Comparing Length</p> <p>Maths Task: There are so many different ways of learning to compare length! Choose one of the tasks below:</p> <ul style="list-style-type: none"> - When on your daily walk, collect some sticks. Which is the longest/shortest? Can you line them up in order from longest to shortest? - Whilst helping to cook dinner, make some pasta necklaces or line up some different vegetables. Which is the longest/ shortest? Can you line them up in order from longest to shortest? - Find some shoes around the house. Whose shoe is the longest and whose is the shortest? Can you line them up in order from longest to shortest?

		<p>- Cut up some paper into different lengths and turn them into snakes. Which is the shortest/ longest? Can you line them up in order from longest to shortest?</p> <p>Challenge: Using cubes, can you count how long your treasure is? Line your cubes up next to your sticks/ snakes etc. How many cubes long is the shortest one? How many cubes long is the longest one?</p>
Wednesday		<p>11.20am Maths Live on Zoom – Days of the Week</p> <p>Maths Task: Watch Jasper's Beanstalk: https://www.youtube.com/watch?v=Da6lxY_8jmU Now have a go at putting the days of the week in the correct order. Then, can you draw a picture of something you do on each day?</p> <p>Challenge: Which days are at the weekend? Which days do we come to school?</p>
Thursday		<p>11.20am Maths Live on Zoom – Measuring Height</p> <p>Maths Task: Mrs Denney has posted you all some seeds. Today you are going to plant your seed. As it grows, use towers of cubes to measure the height of the plant at different stages. What do you notice?</p> <p>Challenge: What else can you find to measure your plant? Have a go at planting more than one seed. As they grow, measure them to see which is the tallest and which is the shortest.</p>
Friday		<p>Watch: The White Rose Session 5 video (Measuring Time) - https://whiterosemaths.com/homelearning/early-years/growing-6-7-8-week-3/</p> <p>Maths Task: Ask a grown up to time you for one minute. You could see how many times you can write your name in one minute. Or how many cubes you can place in a tower in one minute. What else could you do in one minute? Which activities were quick to complete? Which activities took longer?</p>

LOVE to LEARN

		<p>Challenge: Have a look at some pictures of yourself from different years. Which picture do you think happened first? Which do you think is the most recent picture? Can you put them in order? How have you changed since being a baby?</p>
