

Maths Remote Education

This Week's Maths Lessons

WC: 22nd February 2021

Mental Maths:

- TT Rockstars – Garage is set for at least 25 minutes play across the week (that is 5 minutes a day) and Studio is set to at least 5 minutes across the week. See how much practise you can complete this week. Remember multiplication and division gets easier if you have a better knowledge of your times tables.
- Have a go at the Mental Maths tasks – there is a column for each day and a mix of question types to keep your mental maths skills building.

Day:	Learning Objective:	Lesson:
Monday	<ul style="list-style-type: none"> • To interpret pictograms. 	<ul style="list-style-type: none"> • Watch today's maths video called 'Interpret Pictograms' https://whiterosemaths.com/homelearning/year-3/spring-week-6-statistics/ • Work through the questions from Monday Mint Maths • There is a Greater Depth to have a go at if you have time. • We will work through some of the questions in the Zoom at 1:20pm.
Tuesday	<ul style="list-style-type: none"> • To draw bar charts. 	<ul style="list-style-type: none"> • Watch today's maths video called 'Draw Bar Charts' https://whiterosemaths.com/homelearning/year-3/spring-week-6-statistics/ • Work through the questions from Monday Mint Maths • There is a Greater Depth to have a go at if you have time. • We will work through some of the questions in the Zoom at 1:20pm.
Wednesday	<ul style="list-style-type: none"> • To create and interpret bar charts. 	<ul style="list-style-type: none"> • Watch today's maths video called 'Bar Charts' https://whiterosemaths.com/homelearning/year-3/spring-week-6-statistics/ • Work through the questions from Monday Mint Maths • We will work through some of the questions in the Zoom at 1:20pm.

Thursday	<ul style="list-style-type: none"> To create and interpret tables. 	<ul style="list-style-type: none"> Watch today's maths video called 'Tables' https://whiterosemaths.com/homelearning/year-3/spring-week-6-statistics/ Work through the questions from Monday Mint Maths There is a Greater Depth to have a go at if you have time.
Friday	<ul style="list-style-type: none"> To solve problems involving tables. 	<ul style="list-style-type: none"> Today is a Maths challenge day linked to Tables and using league tables in football to help us create and answer questions about tables. First watch the video here https://youtu.be/P6CtNSMYPCw The video begins with a recap of a division strategy that Gareth who created the video had done previously on another video. Even though you didn't watch the previous session you can still watch the division section as it is a useful warm up. This is then followed in the video by tasks and questions about league tables and how to interpret them. Have a go at working through the tasks as you watch the video. When you have watched the video have a go at the 'Friday Maths Challenges' sheet and see whether you can complete the missing information and answer the questions. There are two sheets to have a go at Task A and Task B.
