Activity 4

Practise:

1.

Write down the number represented with Base 10 in each case.

Representation	Number

2.

Can you draw Base 10 or Place Value Counters to show these numbers?

700   120   407   999

3.

Mo is drawing numbers. Can you complete them for him?

246   390   706

□ □ ////   □ ///   □ □ ∷

Reason:

4.

Which child has made the number 315?

Dora

Mo

Explain how you know.

Problem Solve:

5.

Teddy has used Base 10 to represent the number 420. He has covered some of them up.

Work out the amount he has covered up.

How many different ways can you make the missing amount using Base 10?
