

Product review

Do you like your final product? Why?

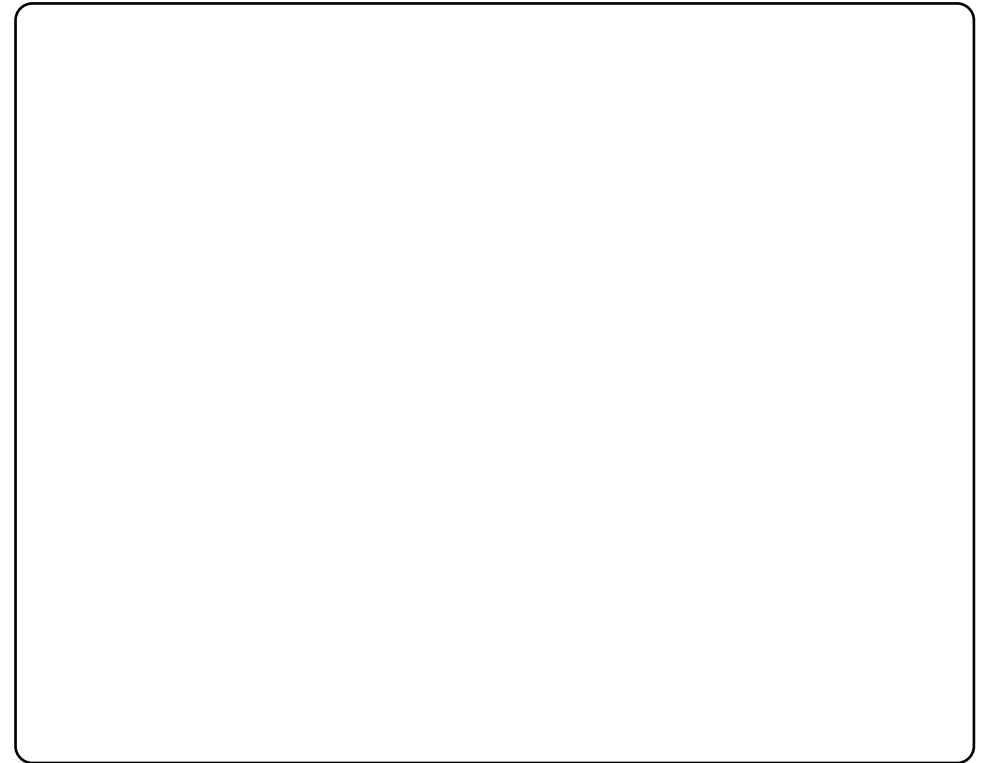

Does it do what it should do?

Would you change anything next time?
Why?

My Moving Picture Design

I am going to make a **moving picture** of a **toy**. It needs to have a **lever** or a **slider** to make it move.

It will look like this:

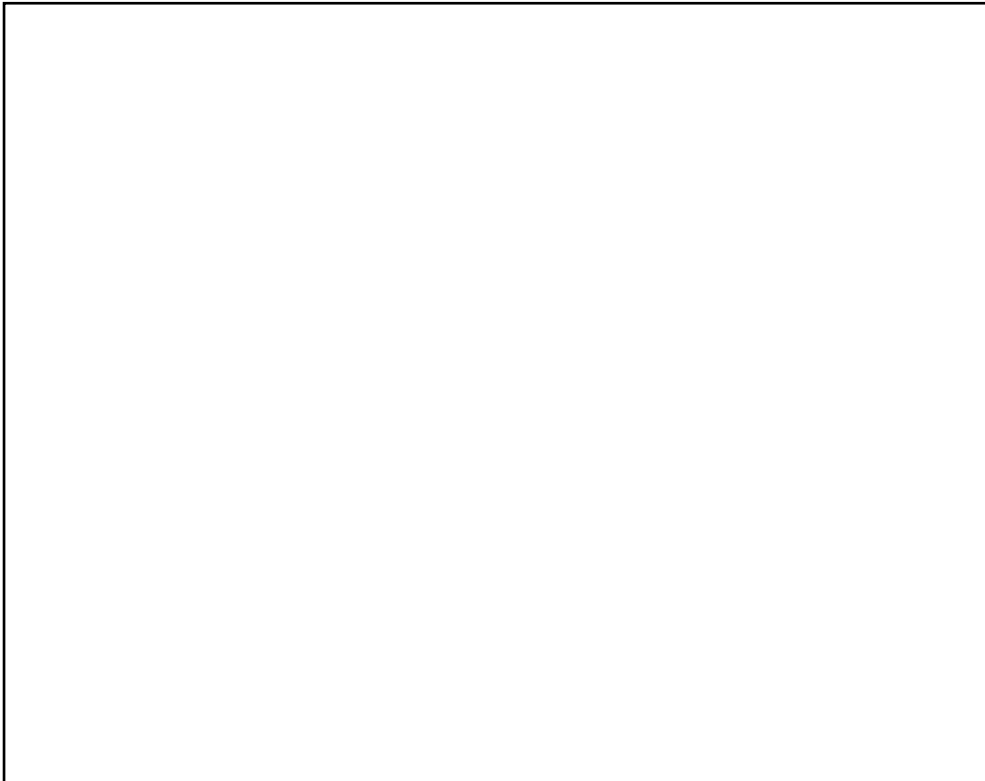

I will use a _____ to make it move.

I think I will need:

-
-
-
-

A photo of my finished moving picture:

This is how I made it:

First,

Next,

Then,

Finally,
