

Follow these steps to explore New Delhi, Mumbai and Kolkata for yourself.

1. Type Google Maps into the internet search browser.
2. A map will appear. On the bottom left hand corner is a box called **EARTH**. Click this, the map will change.
3. At the top left of the page there is a **search box**. Type in one of these names into the box: New Delhi, Mumbai or Kolkata.
4. A map will then appear. There is a little **yellow man** on the bottom right of the page. Click and drag him to a spot on the map.
5. **Zoom** in using the + and - buttons and use your mouse to move around the map.
6. You can also click on a **picture** along the bottom and explore those areas.
7. What physical and human features can you see?
8. Try to look at all three cities.
